

## Hydro Delta Corporation

### Tax Credits for Home Heating & Cooling Equipment Energy Policy Act of 2005

Hydro Delta Corporation certifies the following information related to certain tax credits outlined in the Energy Policy Act of 2005:

1. Certification Entity: Air Conditioning & Refrigeration Institute (ARI)  
4100 North Fairfax Drive, Suite 200  
Arlington, VA 22203

2. Qualifying Products:

When placed in service between January 1, 2006 and December 31, 2007, Hydro Delta Corporation's HydroHeat brand models listed below may meet the qualifications for a tax credit of \$300.00. Qualifying units must have a minimum 14.1 EER and 3.3 COP when installed in closed loop (GLHP) applications, and 16.2 EER and 3.6 COP when installed in open loop (GWHP) applications; as rated under ARI category 13256-1. All units must have desuperheater or integrated water heating.

<u>Models</u>	<u>Sizes</u>	<u>GLHP</u>	<u>GWHP</u>
Mega-Tek (MT)	040-062	√	√
Extended Range (HE)	010-120	√	√
Extended Range (HM)	018-068	√	√
Horizon (WTARH)	006-068	√	√
Magnum (MG)	037-120	√	√
Dual Fuel (F)	026-068	√	√

Note: Hydro Delta Corporation has a policy of continuous product research and improvement and reserves the right to change design and specifications without notice. HydroHeat product performance is subject to change at any time without notice.

Hydro Delta Corporation recommends that consumers consult with a tax professional to determine the application of the tax credits outlined in the Energy Policy Act of 2005 to their particular situation.
